

# PIC COVID-19 Updates & Resources

---

As a reminder, PIC staff will be working remotely beginning March 16, 2020. PIC management will closely monitor the situation and adjust as needed. All scheduled events and in-person workshops or meetings through **April 30, 2020** have been cancelled and/or are being rescheduled. Staff are responding to voice messages and emails and are still available to assist families and professionals, virtually.

## Resources from the Office of Special Education Programs (OSEP) COVID-19 & Students with Disabilities

## Resources for schools

<https://www.ed.gov/coronavirus>

## Understood.org

Understood.org is an excellent resource for students, families educators and professionals on supporting students with learning disabilities and learning differences. Here are some great resources on responded to COVID-19 [https://www.understood.org/en/school-learning/coronavirus-latest-updates#School\\_Closings\\_and\\_Learning\\_at\\_Home](https://www.understood.org/en/school-learning/coronavirus-latest-updates#School_Closings_and_Learning_at_Home)

## Delaware Division of Public Health - COVID-19 Resources
