Dear Name:

This letter is notification of your appointment as the Educational Surrogate Parent (ESP) for **Student Name and DOB**, a student receiving special education services at School Name and District.

As **Student's Name** Educational Surrogate Parent, you will be responsible for representing his/her interests in special education decisions and will have the same rights as a parent in these matters. It is suggested that you get in touch with the Building Educational Diagnostician or Building Case Manager/Coordinator listed below to: 1) Introduce yourself and 2) Request a time to review the child's school record so that you may become familiar with the child as you work with the school team. You and the school should then continue to communicate regularly. You also may want to contact the child's caseworker from the Division of Family Services for additional information about the child.

Should you have questions or be unable to fulfill your ESP responsibilities, please contact Kathie Herel at the Parent Information Center 302-999-7394, ext. 110 or e-mail her at kherel@picofdel.org.

Thank you for your participation in the Delaware Educational Surrogate Parent Program.

Sincerely,

A handwritten signature in cursive script that reads "Mary Ann Mieczkowski".
