

PARENT INFORMATION CENTER OF DELAWARE

Celebrates

Yesterday we encouraged.

Today we inform.

Tomorrow we empower.

ABOUT PIC

PIC is the Parent Training and Information Center (PTI), and Family to Family Health Information Center for Delaware. Under both programs, PIC provides parents of children with disabilities and special health care needs (birth - age 26) information, support, and the skills necessary to become empowered and effective partners in any health and/or educational decisions made for children and youth.

Our critical role as a trusted resource for families is needed more than ever for families seeking support with their children's health and educational needs.

PIC's GALA EVENT - DECEMBER 9th, 2023

On December 9th, the Parent Information Center of Delaware will celebrate 40 years of being a trusted voice to families of children with disabilities seeking information and support about education advocacy. This special celebration will be held at The Waterfall Banquet, 3416 Philadelphia Pike, Claymont, DE 19703, from 6:00 pm to 10:00 pm. The evening's activities will include an opening social hour with cocktails and hors d'oeuvres, dinner, open bar, dancing, and a program recognizing special honorees, major supporters and PIC's long history of helping families in Delaware. The Parent Information Center sincerely appreciates your support through sponsorship of this celebratory event as all proceeds will be used to continue PIC's many services to children with disabilities.
